ORAL GUIDELINES

1. After receiving emails from the secretariat, you are required to follow the instruction given.

2. You shall also prepare your **PowerPoint** for a **10-min presentation** and **upload them by 30 August 2026**.

3. All oral presenters are only given **8 min to present**, and **2 min with our panel judges for a question-and-answer session**.

4. We will communicate with you again in regard to your presentation time slot in the next email.

POSTER GUIDELINES

Poster should be prepare in **Landscape (1280 width x 720 height in pixels)** with a **size not more than 2MB** in both **JPEG and PDF format**, and upload them by **25 March 2022.** This would also mean that you have granted us the permission to publish your poster for our audience. Only the selected poster presenters will be notified to present virtually during the MTERM Scientific Meeting 2022. The results of the selection will be announced in the email.
